

Relocation Assistance Program (RAP) - ACS

The Relocation Assistance Program offers professional relocation counseling for all Soldiers, DoD Civilians, and their families. In addition to personal counseling, the RAP offers monthly workshops for those preparing to return to the USA. These workshops are regularly scheduled for the 3rd Wednesday of each month and pre-registration is required. Call 06151-69-6320 to register.

UNITS and FAMILY READINESS GROUPS are encouraged to request workshops to meet their needs. You pick the time and place that best meets your needs, make coordination via phone or email, and we'll do the rest.

Some of the services available at the workshops are: "Military Installations" files, in print or on CD, for the next duty station; Moving Tips for children, teens, and single Soldiers; Pet-moving information; Transportation information; POV Shipping; Children's books (to make that long flight a little easier); Teen books (by and for teens); and PCS guides just to name a few.

Lending Closet

The ACS Lending Closet is available for OUTGOING personnel too! Plan to ship early so you'll have your stuff available for delivery when you get there. Click [here](#) for more information.
